- Review maps and materials that highlight the proposed changes
- Provide your comments to help refine the proposed amendment

The proposed Comprehensive Plan Amendment (CPAM), initiated by the **Loudoun County Board of Supervisors**, directs staff to reflect the necessary revisions to the CTP per the recommendations of the Route 15 Congestion Report. The Route 15 Congestion Report concluded that additional capacity (4 lanes) is needed on Route 15 from Battlefield Parkway to a point north of Whites Ferry Road. The CTP currently shows Route 15 as a 4-lane roadway from Battlefield Parkway north to near Tutt Lane. This CPAM, therefore, proposes to extend the planned 4-lane section north to Montresor Road. More information regarding the Countywide Transportation Plan and the Route 15 Congestion Report can be located at the following links:
